How to make a claim

Should you wish to make a claim under your insurance, it is essential that you provide us with as much detail as possible to enable us to handle your claim quickly. You must give us any information or help that we may ask for and you must not agree to settle or reject a claim unless we've agreed and confirmed this in writing. Please keep photocopies of all information you send us. You can find full details of how to claim in your policy documentation.

Cancelling your policy

If your cover does not meet your requirements, please notify us within 14 days of receiving your policy schedule and return all your documents for a refund of your premium.
